### Dimensions (Inches)

69.00 W x 42.50 D x 13.75 H

This strikingly naturalistic coffee table design features a cluster of segmented brass spheres arranged in different sizes and heights, with some appearing suspended in space. The spheres are enveloped in artisanal hand-hammered brass and The top of the spheres are lined with Black Angola Granit which has been polished to perfection. Mimicking the reflective quality of water droplets in nature.
