

# TIARA CONSOLE – BRASS

## Dimensions:

### Inches

80.75 W x 41.50 D x 40.25 H

### Cm

205.11 W x 105.41 D x 102.24 H

### Mm

2,051 W x 1,054 D x 1,022 H

A statement piece built around form and detail, this console table features a series of curved brass elements brought together as one continuous structure. The craftsmanship is evident in the clean finish and absence of visible joints. Finished with a slab of black Angola granite, it carries a strong yet understated presence.
