69.00 W x 62.50 D x 13.75 H

Cm

175.26 W x 158.75 D x 34.93 H

Mm

1,753 W x 1,588 D x 349 H

This strikingly naturalistic coffee table design features a cluster of segmented black spheres arranged in different sizes and heights, with some appearing suspended in space. The spheres are constructed of the finest quality GFK and finished with a reflective brass top, mimicking the reflective quality of water droplets in nature.
